

POEM OF THE WEEK

WHERE DO WE GO FROM HERE?

Where do we go from here?
Another year passed,
Another year in the past;
There were good times,
And the bad,
Times of Joy and
Times of tears,
Times of strength, certainty, and
Times of fear.

All that is gone now:
Becomes history;
Hovering beyond our
all-consuming present tense
Is the future:
A vast vista of potentiality,
Of what must be done - to ensure our survival,
Might be done, if we have the time,
This should be done if we are to develop.
A vast vista, waiting to be filled
With our individual dreams and desires.
